Dear Community Member,

As we begin to plan for the 2023 season, we are so grateful for the community that has funded, volunteered, celebrated, and advocated for the Lackawannock – Shenango – West Middlesex Community Swimming Pool through the years. At a time when everything is trying to get back to normal, we find comfort and encouragement knowing that you care about our facility.

Our goal is to make our community a better place for youth, young adults, and the environment through our swim programs and special events. There has been never-ending support from the community for the need of the community pool, but to make this a possibility, the pool will need financial assistance now more than ever.

Please consider making a gift today. If you are interested, we will keep you informed with regular updates on the progress of our activities to include the event dates that you could attend to see your support in action. We will also place an ad from any sponsor on our Facebook page: “Swimming at the LSWM Pool” to show our appreciation and share with our members and guest your contribution.
