

Policy Statement

POLICY STATEMENT Objectives/Policy Statement (§26.1, §26.23)

The Mercer County Regional Council of Governments' (MCRCOG) SVSS has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. SVSS has received Federal financial assistance from the Department of Transportation, and as a condition of receiving this assistance, SVSS has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of SVSS to ensure that DBEs are defined in part 26, have an equal opportunity to receive and participate in DOT assisted contracts. It is also our policy:

1. To ensure nondiscrimination in the award and administration of DOT assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for DOT assisted contracts;
3. To ensure that the DBE Program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs;
5. To help remove barriers to the participation of DBEs in DOT assisted contracts; and,
6. To assist the development of firms that can compete successfully in the market place outside the DBE Program.

Jill Boozer, Administrative Transit Manager has been delegated as the DBE Liaison Officer. In that capacity, Jill Boozer, Administrative Transit Manager is responsible for implementing all aspects of the DBE program. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by SVSS in its financial assistance agreements with the Department of Transportation.

SVSS has disseminated this policy statement to SVSS' Board of Directors and all of the components of our organization. We have distributed this statement to DBE and non-DBE business communities that perform work for us on DOT-assisted contracts. This policy statement has been distributed to all firms that have performed work and bid for work for SVSS, all firms on SVSS's vendor list and these firms on the Pennsylvania Department of Transportation's DBE Vendor list for Mercer County.
